FIFTY-TWO SEEDS

One for every week of your year, growing out from your North Star. Each week, one more seed is filled in. The four large ones are your reviews.

HOW IT WORKS

Plan it on the left. *Face it on the right.*

Left page, Monday. Your one move for the week, the habit you are fighting (tick each day it holds), three goals with a target and the day you expect each one done, and your seven days.

Right page, Sunday. Ten minutes in your inner boardroom. What really happened: the goals not met, and the ones done earlier than you thought. Cross the stars for each voice. Bank one story. Write your personal wisdom: this one is mandatory. Then the Leader decides the one move for the week ahead.

Every month opens with a plan. **Every thirteen weeks**, a review: your estimates against reality.

Feeling in control is not control. Writing it down and measuring it is. Week by week you build the muscle of being realistic, and you take control of your life.

THE FOUR VOICES

Dreamer at heart. Critic in the head. *Realistic* sometimes. Always ready to serve.

Dreamer HEART

What do I want, and for whom?

Sees what could be. Alone, it only wishes.

Critic HEAD

What am I avoiding, and what could go wrong?

Sees what is wrong. Alone, it only stops you.

Realist HANDS

What will it really take: hours, money, people?

Counts what it takes. Alone, it shrinks the dream.

Leader SERVICE

What is the one move this week, and who do I serve?

Listens to all three, then decides, and serves.

MY TWELVE-WEEK CONTRACT

I take control, *in writing.*

> *For the next 12 weeks I write down what I work on, measure my goals and estimate when each will be achieved. I am building the muscle of becoming more realistic, and taking control of my life.*

I start on _____

Goal 1 _____ done by _____

Goal 2 _____ done by _____
